

About Us

Founded in the year 2006, Energex Trading (Formerly known as Archana Trading Co.) specializes in supplying equipment and services to the oil, gas, marine and construction sectors in Qatar. With over 18 years experience, the company has rightly earned the tag of being one of the best in the industry.

Energex Trading works with world renowned manufacturers to provide a wide range of products and services. Our team are dedicated and focused towards providing full support to our suppliers in marketing their products in Qatar.

Energex Trading is one of the key local strategic partners of multinational contractors and manufacturers operating within the oil, gas, and marine industry in Qatar.

Our Vision

Committed to being the “Supplier of Choice” through product and service excellence.

Our Mission

Introducing new products and services based on the needs of our customers and market demand.

Services

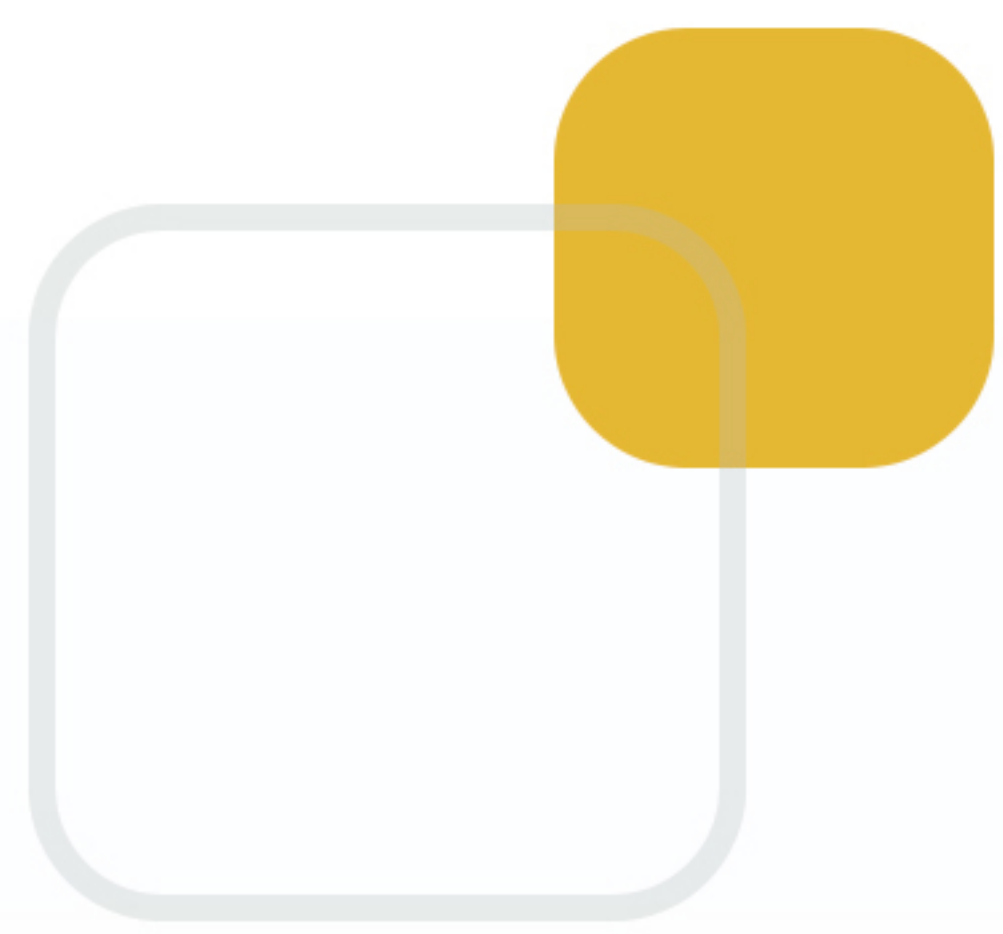

Oil, Gas and Marine Field Supplies

Energex Trading specializes in the supply of oilfield equipment and service solutions to the international oil, gas and marine industry. Our customised solutions are aimed at helping customers get the best from their activities. Whether customers are constructing, operating, maintaining, or upgrading wells, we are able to provide solutions that make a positive impact.

We have the personnel and experience to ensure that our rig and equipment packages are manufactured to international standards, and can start up and operate with maximum uptime in the field. With a long history of maintaining onshore and offshore drilling rigs, our personnel are well equipped to assist our customers to optimize their rig packages.
